

IMPORTANT COVID 19 MESSAGE

On Tuesday, March 17, 2020 we will begin limiting access to our bank lobbies until further notice. By limiting direct contact whenever possible we hope to limit the exposure and spread of the virus. We hope you understand that this decision was not taken lightly and was made to protect the health of our customers, staff and community.

All of our drive ups will remain open. At this time we continue to welcome customer in to our lobby to conduct business as necessary, however we request that you check in by phone or at the drive up to make arrangements before proceeding to the lobby.

Our staff remains ready and able to assist you and our normal business hours are unchanged at this time. We encourage you to contact the Bank by phone as well as utilize our ATMs, Online Banking, Mobile Banking or our website.

Thank you for your understanding and for your continued business and support!
